Report of the Committee
to the A. C. S. Sep 28/64

Cambridge, Mass. 11th
March 1864

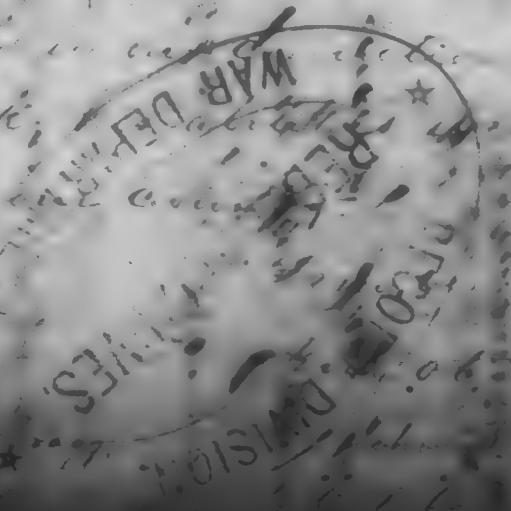

General,

Enclosed, you will find a communication from the Field Office of this Brigade, requesting the promotion of Brig. Gen. J. S. ...

I send it to you, because as our public career has been distinguished by an unalloyed patriotism, I believe, it will afford me pleasure to promote a patriotic, gallant & meritorious officer.

The irregularity of the application now before you, it may be said, is very great for the advancement of a soldier from the rank of private to that of Major-General.

But, Sir, the Government has a right to expect that the brave and meritorious soldier will be promoted to the rank of Major-General.

August 1864

Dear Sir,
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the matter of the appointment of a person to the position of a clerk in the office of the Quartermaster General. I have the honor to inform you that the same has been forwarded to the proper authorities for their consideration. I am, Sir, very respectfully,
Your obedient servant,
B. R. Johnson
Major General

The General Command addressed to the Inspector General  
to have investigated the burning of the cars with the  
quantity and quality of stores consumed with them  
both upon the Mobile and Ohio R Road and Memphis  
and Charleston Road, together with the bridges upon the Memphis  
and Charleston Road, and the duty devolving upon me  
of the investigation of the Car and Depot burning at Booneville  
and upon the Mobile and Ohio R Road, together with the contents  
of the car there burnt. I have the honor to report  
after the most thorough examination of persons who were  
present during the transaction and whose names I have  
in my possession. The following facts. Upon the morning  
of the Thirtieth of May a little before sunrise a Squadron  
of Yankee Cavalry came from the Jackson road into  
Booneville and riding in and around the town collecting the  
stragglers scattered around and concentrating them in squads near  
the Depot: and warning the bystanders to remove the sick  
from the Depot and Cars and get away from the cars for they  
intended burning them and the explosion of the shells might  
hurt them before the bystanders could execute the removal  
of the sick. The enemy proceeded to cut loose cotton  
bales lying around the Depot and throwing the loose  
cotton in and around the Cars. Which to the  
number of twenty two containing ammunition and  
arsens the quality and quantity of which it will be  
impossible to report upon until the Chief of Ordnance  
sends in his report. were run off upon a side  
track. Burnt them, in the consummation of which  
act were consumed, a sick man unable to get from

the Cars and a died today after the burning  
of the Cars the Enemy proceeded in like manner  
with like materials to burn the Depot, in  
the burning of which building was consumed  
three sick and two dead bodies. (owing to  
the energy displayed by Col Murphy, Sergeant  
Alabama and Mr Elliott, Quartermaster Clerk  
two Cars were uncoupled and reported saved.  
The Enemy after the performance of these acts  
mounted their horses and rode off upon the  
Spanish Road carrying with them one  
prisoner mounted. (owing to the absence of  
Col McNairy, 1st Battalion Tennessee Cavalry  
Col Bradford and Dr Brumby gentleman  
said to be cognizant of facts which then transpired  
my report is devoid of their testimony whose  
may or may not be valuable the purpose  
of my report is the evidence of person eye

The intelligence about the burnt sick has been furnished

My Dear Col:

The subject of my own promotion is one I feel great delicacy in speaking of to my friends; but the position I occupy, as well as, the duties with which I am entrusted are of such a character that I cannot but feel, that had I more Rank I could from the advantages attendant upon it, be of more usefulness to the public service.

Patriotism and Rank, are the great inducements which attract an officer of the Army and as you can abundantly testify, are the only ones now offered to those in our Dept. of the military service.

I have taken the liberty of presenting this matter to you (unofficially), trusting that should you deem me worthy of it, you will add your endorsement, upon my application for a Majority which was forwarded to Richmond some months ago which I feel certain would ensure success.

Dear Sir

Community Returns &c. I was ordered, to make  
the purchases for Gen. Hindman's army by  
Col Carter a few days after being caught  
up from the Prison, having heard of  
Regulations I determined to have a  
Copy; I pursued the object under  
a variety of circumstances & succeeded  
after two months perseverance. The  
papers may be informal, I  
have the satisfaction to know that  
they are honest, I hope they  
may at least be satisfactory

Your favor dated Jun 30<sup>th</sup> is to hand & is

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. A faint horizontal line runs across the middle of the page. The left edge shows the binding of the book, and the overall tone is a warm, off-white or light beige. There are no markings, text, or illustrations on the page.

His Excellency  
Jefferson Davis  
President of  
the

The undersigned members  
of Congress from the State of Texas  
respectfully submit for the consideration  
and action of your Excellency, the  
accompanying application for the  
promotion of Col H. B. Granbury  
of the 7<sup>th</sup> Texas Infantry Regiment,  
to the rank of Brigadier Genl.

The application is signed by the  
officers of 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup>, 15<sup>th</sup>, 16<sup>th</sup>, 17<sup>th</sup>, 18<sup>th</sup>, 19<sup>th</sup>, 20<sup>th</sup>, 21<sup>st</sup>, 22<sup>nd</sup>, 23<sup>rd</sup>, 24<sup>th</sup>, 25<sup>th</sup> Cavalry Regiments, dismounted, and  
favorably endorsed by Maj Gen Chalmers,  
and Maj Gen Sherman Commanding  
Maiden Corps. - Your Excellency is  
specially referred to the recommendation  
of Maj Gen Chalmers, whose division  
embraces the Regiments mentioned,

and to the letter of Brig Gen Grogg  
herewith submitted, and also to the  
accompanying communication of  
certain officers to the Congressional  
delegation from Texas.

Col Granbury  
has been in the service for near  
three years, and has rendered important  
and gallant services to the Country.  
In view of these facts, and the experi-  
ence of the Brigade, the undersigned  
heartily concur in recommending  
Col Granbury for the appointment  
indicated.

Officers of the Texas

In Columbus Division  
Tunnel Hill Ga Dec 23<sup>rd</sup> 63

Col Granberry of the 7<sup>th</sup>

valuable and efficient officer  
and has commanded the  
regiment in the field, and  
has been successful in  
many of his operations.

greatly distinguished itself,  
but in addition he has done  
more to keep down discontent  
arising out of the peculiar  
situation of the command,  
than any other man in it  
and his services in this respect  
are invaluable. The Brigade  
is composed of temporarily  
consolidated Regiments, three  
or four being consolidated  
into one and the supernumerary  
officers thus created have been  
sent west of the Mississippi  
River. It results from this  
that officers and men here,  
however meritorious, are effec-  
tually barred from promotion  
by the seniors, who are sub-  
ject to be increasing rather than  
decreasing in number, and at the same

time the hope of  
advancement is destroyed. I  
think the Brigade has just  
cause to complain in this  
regard. I would therefore  
recommend that some plan be  
immediately adopted to  
return the officers to the position  
the Law intended them to  
occupy, and I would further  
recommend that Colonel  
Granberry be made Brigadier  
General and put in command.  
It will save some many  
good men to the Confederacy if  
this is done. Brigadier  
General Smith is a Southerner  
he is absent wounded and  
will probably be unfit for duty  
until spring. Though a good  
one brave officer, he has not  
the personal influence for  
good that Colonel Granberry  
has.

RECORDED  
INDEXED  
JAN 1 1864

Camp near Summit Hill Georgia  
December 10 1868

General:

We the undersigned Officers of the 6<sup>th</sup> & 10<sup>th</sup> Texas  
Infantry Regiments: the 15<sup>th</sup>, 17<sup>th</sup>, 18<sup>th</sup>, 24<sup>th</sup> & 25<sup>th</sup> Texas Cavalry dis-  
mounts dismounted, feel it our duty respectfully to inform the  
Commission of our respective commands. We were captured at  
the Arkansas Post and after our exchange in May last were  
sent to Bullahoma Tennessee, where the entire command  
was consolidated into two Regiments - the 6<sup>th</sup> & 10<sup>th</sup> Infantry,  
18<sup>th</sup> dismounted Cavalry, and detachments of four Cavalry  
companies - two of these companies being Louisiana Cavalry  
constituted one Regiment under command of Col  
K. L. Mills - the 17<sup>th</sup>, 18<sup>th</sup>, 24<sup>th</sup> & 25<sup>th</sup> Texas Cavalry dismounted  
constituting the other Regiment under command of  
Col Gilkpie, who was subsequently relieved and Col  
H. B. Wilkes placed in command.

This arrangement gave universal dissatisfaction as it  
was considered unjust to the Officers and men and un-  
authorized by law, and did not appear to be called for  
by any military necessity, which sometimes necessarily  
takes the place of law. We were told that it was merely  
a temporary arrangement. It was alleged that there was no  
consolidation, but a mere temporary blending of the re-  
giments. Many of the best officers of the command were re-  
lieved from duty and ordered across the Mississippi river.

The men complain that their right to elect their com-  
pany Officers has been infringed and although they have  
no fault with the Brigade Commanders, think it  
that of four appointments or assignments to  
of them have been from their own State. Besides the 100,  
who escaped at the time of the capture, hundreds have been per-  
mitted to go across the river, so that we have not now more  
than one half of our original number - about one  
thousand being in service or at home in the Texas-  
Mississippi report. It is unjust to the Officers, for the reason that  
the law of promotion operates unjustly. Many instructions  
could be given, but it is deemed unnecessary to call at-  
tention to the fact as many irregularities will naturally  
be on the ground. That the command is now in a

contemplated by the military code is too plain for argument. It is evidently an evasion which is equivalent to a violation of the law. The Brigade has done good service but the men have lost much of their "esprit de corps" and many of them have deserted to join their comrades and Officers in the Trans-Mississippi Dept. and will continue to do so unless some steps are taken to harmonize the discordant elements.

We see no reason why the Officers and men belonging to the Trans-Mississippi Dept should not be collected here and the original organization maintained as far as practicable. There are enough to constitute 4 regiments ranging between five and six hundred. If this cannot be done or we cannot be sent across the river, we should be permitted to <sup>change</sup> ~~reorganize~~ the present disposition for which there is no warrant or name in the law, and should be separated into regular regimental organizations. As the first great step towards securing harmony and efficiency in the reorganization we respectfully recommend that Colonel H. S. Gentry (formerly 1st Texas Infantry, now commanding this Brigade in the absence of Brig Genl Smith) be promoted and assigned to duty as our Brigade Genl. We believe that he more than any other man can bring order out of chaos and harmonize all discordant elements. His long service and experience, his gallantry in the field and ability as an officer and soldier entitle him to the position. This appointment would give satisfaction to nearly every man in the Brigade for all though we all bear cheerful testimony to the gallantry and military attainments of Brig Genl Smith as Texas we salute Colonel Gentry.

Respectfully,  
A. S. Gentry  
Nicholson V. C.

Allburn Division Army of Tenn Dec 24/62

Gentlemen:

Several communications have been forwarded to the War Department by the Officers of the 6<sup>th</sup> and 10<sup>th</sup> Texas Infantry Regiments and the 15<sup>th</sup>, 17<sup>th</sup>, 18<sup>th</sup>, 24<sup>th</sup> and 25<sup>th</sup> Texas Cavalry Regiments Dismounted, protesting against the present disposition of themselves and men, all of the above Regiments having been united into two, after their exchange from prison last year at Vicksburg Tenn against the wishes of most of the Officers and men, because it was arbitrary, unjust, illegal and without even the excuse of a military necessity; and recently, one, signed by nearly every Officer present of these Regiments and by the Officers of the 7<sup>th</sup> Texas Infantry urging a change in the present organization, if organization it can be called, and recommending the promotion of Col. H. B. Granbury of the 7<sup>th</sup> Texas and his assignment to the command of this Brigade now composed of said Regiments.

The consolidation or uniting of the Officers and enlisted men of the different Regiments above stated, together with four detachments of cavalry companies, (two of which are from La.) has given universal dissatisfaction to Officers and enlisted men. It is unauthorized by law, arbitrary, unjust to Officers and men, injurious to the service, and has in a great measure destroyed all esprit de corps.

Many of the best Officers have been relieved of duty and sent to the Trans-Mississippi Department, and the men arbitrarily assigned to duty in companies not organized according to law, under Officers with whom they are unacquainted and with

whom they are unwilling to serve, notwithstanding the law under which they volunteered recognize their right to elect their company Officers.

There is no economy in the arrangement, for the Officers who have been relieved are paid for doing nothing except standing in the way of the promotion of Officers in the field. There is no justice in the law of promotion for a junior Officer of to day by reason of the death or promotion of his ranking Officer in the company to which he originally belonged; to morrow may command Officers who now rank him in the present organization — Several instances of this sort have occurred and other irregularities and inconveniences which will readily suggest themselves, show conclusively that such an arrangement was never contemplated by the law makers.

Many of the men have deserted for the purpose of joining their comrades and Officers in the Trans-Mississippi Dept and will continue to do so unless some change be made as they have been encouraged in this course by the reception they receive when they succeed in getting across the River by the Commanding General.

They also complain that of four Brigade Commanders who have been assigned to command them from time to time, none of them are from their own State, and although they have no fault to find with their present Commander, as Texans they prefer Col Granbury.

He has been in service from the commencement of the war, has distinguished himself for gallantry and skill on many bloody fields; understands the manners, feelings

wants and sympathies of Texans and can  
excite that enthusiasm among them which  
is so necessary for success in battle - has the  
confidence of the men and officers in a  
very high degree, and is known to be one of  
the best officers in the service. We understand  
that Lt. Genl. Hardee and Major Genl. Cleburne  
are anxious that he should command us.

This appointment would do much to  
harmonize the command and allay dissatis-  
faction and discontent, and should be made  
as speedily as possible as a preliminary step  
to changes which must necessarily be made.

We see no reason why the original  
organizations cannot be maintained by or-  
dering the men and officers to the Trans-Miss-  
issippi from here. There are men enough belong-  
ing to each of the consolidated Regiments  
to maintain their original organizations, so  
that each Regiment will average from four hundred  
and fifty (450) to seven hundred and fifty men.

If this cannot be done the Officers and men  
in the Trans-Mississippi Department should be  
ordered here. If both should be imprac-  
ticable our present organization should be made  
permanent or a reorganization granted, sanc-  
tioned by law.

As our command is composed  
of Officers and men from every District,  
and nearly every County in Texas we take  
the liberty of addressing this communication  
to all of our Texas delegation in Congress and  
as Texans we ask that each and all of you

may use all your power and influence in the restoration and defence of our rights as free men under the law, which has been arbitrarily and unlawfully denied us and in the furtherance of our views in the promotion of Col H. B. Granbury. As regards the latter as very essential in making any satisfactory change in our present disposition, which the good of the service requires should be done.

The conduct of our men at Chictamanga, Mifflin and Taylor's Ridge shows that there is no better material in any command and if properly organized we know that the honor of our State or Country will never suffer at their hands.

My dear Graham - I learn  
from Col. Granbury, that a  
petition from the 13th Regt  
in the Army of Gen. ...  
ally endorsed by Gen. Cleburne  
and Gen. C. H. ... has been  
sent to the Department,  
recommending his promotion.  
Granbury has been under  
my command, as you know,  
from the beginning of the  
war. His value as an of-  
ficer cannot be easily  
overestimated. His compe-  
tency for the position to  
which he aspires no one,  
who has known him since  
the army, doubts. If you  
are in any way a delegate

can be of advice to him  
in this matter, please  
write yourself, for the  
assurance of your ad-  
vancing the interests of  
our country may not be, with  
surely about you. I am still  
"awaiting orders" at this  
place. Nothing new has  
happened.

Will you show this  
letter to all of our Del-  
egation? I would like to  
have their combined ef-  
fect. I am yours friend,  
John Bigg.

P.S. I would write to each  
Senator and representative  
but for the scarcity of paper.

Dear Sir,

Dear Sir:

The officers of the Regt. have sent a petition to the War Dept asking my appointment as Brigadier. The paper together with the endorsements made thereon by Maj. Gen. Cleburne and Lt. Gen. Horden will show the merits of the case. The officers also send by this mail an address to the Texas Congressional Delegation in regard to the same matter. Gen. Cleburne and Horden, as will be seen by their endorsements, are anxious for the appointment to be made immediately, and they think that it can be easily secured by a timely and combined effort on the part of the leading Texans in Richmond. I am the more ready to frankly ask the influence of the Texas Delegation in this matter, since Gen. Horden and Cleburne evince my competency, <sup>how much their</sup> and belief that under the peculiar circumstances surrounding this Regt. as present that the appointment would subserve its best interests. I respectfully refer you to the papers mentioned; one of which left Army Ho. Dec. two days since, the other to be mailed with this.

We were led to believe so by a statement

It is a great disappointment, and we are  
dearest wishes, and I again, let the  
of calling your attention to the main points  
of our petition and hope that, the exertions  
of yourself and the entire delegation from  
our state, acting in concert, will see the  
issue of our state so far as it can be effected  
in our favor. We are now in the  
hands of the committee. It is to  
only for the sake of the country that we ask  
for the sanction of the committee but for  
the good of our country. These things are  
taking place in the most interesting manner. The  
desire is great to go to the Trans-Mississippi, and  
if they succeed in getting there, they are re-  
warded for deserting by Paul Smith giving

1st. They feel that the present organization is a barrier to their promotion and separates them from a large portion of their original commands and friends. 2nd. They have never had a Texas General to command them.

3rd. The larger part of their commands are in the Trans-Mississippi.

But this dissatisfaction is not confined to the men alone, but is almost universal among the line officers, and to some extent with the field. The principal cause of the officers' dissatisfaction is the 2nd reason given above and that the present organization is a barrier to their promotion and separates them from a large portion of their original commands and friends. Col. G. has great influence over this command, more than any one in the command, and much more than any one can have who is not a Texian.

I have not been about a day since

With much esteem wishes for success,

Dear Friend, I am glad to hear

Washington, D.C., May 1, 1861

I have the honor to acknowledge the receipt of your letter of the 28th inst. in relation to the 7th Texas Regt, and the 1st Virginia Regt, & to request to command of that Regt. My recommendation I have now approved by the Adjutant General's Commission, & also by Genl. Standen, as that has the General in Chief. I have no doubt would secure the appointment, but for some difficulty that may arise from the fact that the former Regt. stands to delay the process in the file in the War Office.

I am impelled not only by considerations of personal friendship towards Col. Sumner, but

the public interest will be promoted  
by his appointment, & it is to be  
expected that his services will be  
highly appreciated, in gratifying  
the very reasonable request of the  
Trust donors.

I have known Col. G. intimately  
well, for some two years. He fought  
gallantly at Brandon, was confined  
with me at St Francis for four months  
when I had opportunities to study  
closely his character & form a just co-  
loration of his capacity. I was with  
him for some time in the Army of  
Mississippi. At Raymond he was  
greatly distinguished, & it was there  
both at Chickasaw & the following  
days, he conducted the whole  
communication of his expedition  
efficiently. He was particularly kind  
to his countrymen in the release  
from the prison camp.

[illegible]

Please show this to Mr. Y. and  
ask him to do me the favor to report  
you, on this matter.

I beg you to believe me when I assure you, that it is not mere personal considerations lead to this. I implore you to make this request. I know by great worth & am concerned we need such men in the position to which he aspires.

Order for Conscription

Feb. 18<sup>th</sup> 1863

To the A. A. Genl.

Genl. Magruder's Staff.

COPIED

Sir: I hope I may be excused for intruding again upon Gen. Magruder's attention my extreme anxiety to fill my Regiment. The order for enrolling men from 18 to 40 years of age has made its appearance, but the general impression, that from some cause or other has become prevalent, that these men will not be allowed to leave the State, precludes the possibility of my getting recruits unless they have authoritative notice to the contrary. I wrote on the 9<sup>th</sup> inst asking an order for 600 Conscripts, to be filled, if necessary, after prior requisitions are satisfied, I still respectfully ask the issuance of this order. But the Enrolling officers are so slow and inefficient, that it will be several months before the Conscripts under the last call are put in the field. If Gen. Magruder will give me an order for the Conscripts in Harrison, Leflore, Smith, Marion Rush and Cherokee Counties, I will myself have them enrolled and put into service immediately. These are the principal Counties from which my Regiment was raised. If the General should decline this, but give me an order for half the conscripts in the

These assignments have determined by  
it will be more completely satisfied, it  
would, have my best and best and best of  
efficiency. My Regiment is now at Fort Sumter  
S. Carolina and I am very anxious to  
be able to send some relief to the  
garrison on that important point.

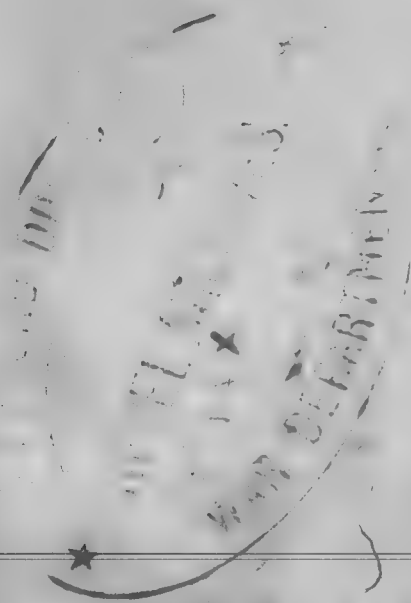

I respectfully make these suggestions, hoping they will not be deemed intrusive. After a ride of 1200 miles on horseback, and a thorough canvassing of 23 Counties, I see no other means of speedily getting my Regiment,

Very Respectfully,

Yours obedient.

Major Dickinson

U. S. Genl.

Houston Texas.

Sir, I write

this to North Genl. Magruder with information  
that I think it is necessary for him to know.  
I know that Genl. Magruder appreciates the  
importance of speedily filling up the old  
Texas Regiment now in service East of the  
Mississippi River and I therefore herewith  
readily submit to his consideration the  
following facts:

In nearly every county North and West of  
the River some one is raising a company  
of Partisan Rangers, and while they organize  
the men the advancement of service on Houston  
and in the State, it is almost impossible to  
recruit for an Infantry Regiment East of the  
River. The men raising these Companies have  
commissions from Col. B. W. Ston and  
Col. Geo. R. Baylor. James Throckmorton, of

and is actually under a commission from the  
Government to raise a Battalion of men, a great  
of these men are now one of my recruiting  
officers, and are to be admitted before me. I  
am working as at present, and have from  
the War Dept, and have been informed that there  
is a Regiment of men, Westmoreland's  
Battalion a number of Captains are raising com-  
panies for Col. Boyce's Brigade.

Col. Stone is also raising a Brigade, and I have  
almost certain knowledge that he has a commission  
Colonel's commission. One of my recruiting  
officers just from Dallas informs me that he  
has now twenty one companies, besides others  
being raised. All the men liable to conscription  
who come by any means previous to now are  
going into these companies while the orders  
are. Now your Honor's Quarters are the 16th of  
December 1862 prohibit any volunteering  
except in Regiments existing prior to 1st of  
last April.

I make these statements not only for the sake of my own  
self, but for the sake of the men who have  
been thrown by the ravages of Battle. Very respectfully  
your obedient  
H. B. Gracebury

assignment to any war  
 a But of Artillery.  
 He was wanted as  
 an Asst-Quartermaster  
 in the Division unit  
 no great effort was  
 made to have him  
 assigned because  
 it was thought he could  
 do more service with  
 the Artillery than as an  
 Asst-Quartermaster that  
 he is wanted as Asst-Quartermaster  
 in the Division. I sincerely  
 hope that  
 Gen. Lawton will  
 order him to report  
 as such.

Mr Robert Grant.

Dear Sir;

Having heard that  
your friends contemplate applying for a  
Lieutenant's Commission for you I take  
pleasure in saying that, I think you are  
admirably qualified for it, and experienced,  
for the position of Adjutant. My acquaint-  
ance with you though short has been such  
as to give me a good opportunity of  
judging, as you have been for three weeks  
in my office, and in the absence of the  
Adj. Ad. Genl, performing much of the  
duty usually performed by that officer.  
I shall be much pleased to hear that  
you have been rewarded for your services  
in the 8<sup>th</sup> Reg. Co. Volunteers in the battle of  
Manassas, by a Lieutenant's Commission.

Very truly yours

Sam. Jones.

Brig. Genl.

Camp Walker, N. York B. Co. Dec 17<sup>th</sup> 1863

I have the honor to make application to the General Commanding  
for a leave of absence for twenty five days to transact business which no  
one else can attend to for me.

This application is based on the following grounds. I have been in the  
service from the 1<sup>st</sup> of Jan. 1861, and have never had a furlough, nor been  
absent from my post, except in sickness. A leave of twenty five days was granted  
me in March last to visit a sick brother in Richmond, Va., but returned to my  
post after eight days absence in consequence of the attack on Charleston  
April 5.

My absence now would, to the best of my knowledge and belief, be not in the  
least detrimental to the service. This Command (C. B. & 4<sup>th</sup> Co. B. Co.) as composed  
of the acclimated citizens of the country, and since I have been with them  
there has been no sickness, which would not have gotten on equally as well with  
out my presence as with it. There has been no new case this month, and I  
have before me I shall have to do again, make blank the post.

If this leave of absence is granted, I will not use it, if my presence  
is at all necessary. And should I be any and find that I am wanted  
here I will at once return.

Respectfully

W. J. Grant

by order of the Secy of War

Secy of War

This officer appears on a list  
of nominees for appointments in  
the Ordnance, which was sent  
to the President for nomination  
to the Senate at its last session.  
The list has now been re-  
turned, and is now, it is believed,  
with the President.

It is respectfully suggested  
that the endorsement of the  
Chf. of Ordnance contemplates  
the appointment of all the  
officers recommended on that  
list. To make selections  
would materially affect  
the relative rank of those

Dear Sir,  
I am in receipt of the 23rd inst. - the same  
being forwarded by the  
General to the Army of the Potomac by  
order or approval of a commanding officer  
of a commissioned officer in command it would  
be just to according to a previous approval  
and is the rule established by the War Dept.  
briefly quoted. In the case you present  
I am of opinion that accounts for forage ac-

they are to be paid - the Surgeons being to that extent  
commissioned officers in command

Sir,

Your communication of March 31<sup>st</sup> relative to the temporary necessity for a guard in the City to be supplied from the detailed men whose services are not actually required in Hospital has been received.

In reply I have respectfully to state that the men and guard attached to this Hospital at this time are unequal to the task of keeping it in good working order. My morning report shows twenty five detailed men in duty. The Med. Ex. Board this morning released five of them to the field and recommended thirteen permanently disabled leaving six who are temporarily disabled to perform the active duties of this Hospital. Therefore I am unable to detach men for the purpose indicated in your communication.

Very Respectfully,

In regard to complaint  
of my Hill of Raleigh  
about so many patients  
being sent on 5th Sept.

W. A. R. R. 13. 1863.

Genl. Hospital Goldsboro.  
Feb 11<sup>th</sup> 1863.

Sir:

In regard to the complaint  
made to Surgeon Hill of Raleigh  
North Carolina that we sent some  
so many patients on the 5<sup>th</sup> inst.

I only have to say that this  
made receiving and Distribution  
Hospital as well as one to take care  
of the Sick and Wounded; and when  
I came here I was ordered by

Dr. Bedford Brown who was  
acting Medical Director at the  
Post to send Patients to Raleigh  
and Wilson Hospitals. Therefore  
on the night of the 4<sup>th</sup> inst. having  
one hundred and fifty (150) Patients  
lying on the floor without beds, I  
transferred the list you saw to Raleigh.

I have never seen a line from  
Surgeon Hill in regard to Deception.  
It may have been asked before I took charge.

Our Hospital Accommodations are not  
half sufficient here. Very Respectfully  
Yours

(Camp 44<sup>th</sup> Regt)

Your letter of the 15<sup>th</sup> inst.  
has enquired what has become of  
Richard Crump who was appointed  
Company of the 44<sup>th</sup> Regt information  
necessary to the appointment of a  
successor. In reply I have not  
to say that I learned months ago  
that Richard Crump had been appointed  
Company to the Regiment, but he  
has never reported himself, and I  
think ought to be dropped from the  
service. The Regiment has suffered  
for want of a commissioned Company  
since it was mustered into the service  
in June. I would be glad to see  
Lt John J. Graves commissioned in  
his place. He is the senior Lt and  
can give necessary security.

Respectfully yours,

Dear Sir

Am glad to be able to write you. I am  
doing nothing - not as rapidly as I desire, but some  
thing better - will be able to leave here in three or four days.  
My Surgeon thinks it will be very probably six weeks before  
I will be able to report for duty - Nelson has invited me  
to his Father in Miami - when I will be, I think, satisfied  
if it meets your approval - would prefer your permission  
to have some sort of an order from you to that effect in  
thanking Nelson to accompany me - I wish to do what is right  
and would be glad to have your opinion - But must leave  
now to be able to report for duty -

In regard to Howard - don't you think it best to send the  
Ambulance by rail? And let Howard go by land with the Mules?  
Some danger of Bushwhackers?

Had hoped to have heard from you by this time - Mrs. & Mr. Black-  
welder is very much missed, both by Nelson and myself, this  
separation is not much so pleasant since we are separated  
though the family are very kind & attentive - With kindest  
 regards to Mrs. Blackwelder I am General

I have the honor to request the appointment  
of Capt Rice E Graves to the position of Chief of

in command of a battery of artillery which was

He is years of age, a graduate of the Academy

I have forwarded the resignation of Colonel  
Mr. Dowell, with a strong hope that it will be accepted.  
His regt. the 60<sup>th</sup> Mo. Ca. needs instruction & care. Colonel  
Mr. Dowell is an intelligent & worthy gentleman, but  
his health is infirm, and he candidly admits that  
he is ill-adapted for the service. General Hardee  
concurs with me & Gen. McKeim also entertains the  
same view.

If the laws allow, I would recommend  
Major Graves, now on Buckner's Staff to be pro-  
moted to the rank of Colonel, and assigned to the command  
of the Regt. For two years at West Point, before the war,  
young, strong, intelligent and very zealous & energetic.  
I feel sure that he would bring up the regiment  
finely. He was distinguished as an artillery officer  
at Fort Mifflin, & was wounded while bravely fighting his  
guns at Mifflintown. He has always been conspic-  
uous for courage & skill & for his character.

I will send you an official communication  
upon the subject of my position here at present  
as the last order I received was from General  
Will the day he left Columbus. In that order  
I was directed to report to him via Capt. Ledy.

It has been a long time Colonel since I  
had the pleasure of meeting you, and, in light  
of my having forgotten me, but I hope I  
will again see the good fortune to see you  
before night again, for General Beauregard  
and yourself. Sincerely, Colonel, in haste

Colonel,

I have this moment learned that - Captain Cummings of the Signal Corps was going over to General Beauregard's Headquarters - I am preparing some maps and papers to submit to the General relating to the defences of this section of the valley of the Mississippi - They will be ready by tomorrow when I will forward them at once - I have to be about so much that I have very little time for office work under the very precarious and peculiar circumstances surrounding us - I am called away now to the end of the peninsula to put up a couple of small defences nearly opposite New Madrid - It is reported, the Enemy have visited the point there and are preparing to land a force to outflank us if possible -

Colonel,

May I ask of you to let me submit for the General's consideration the enclosed memorandum for the organization of a corps, which I sometime ago wished to see formed, believing that much benefit would result from it. - I submitted the suggestion to Major Gilmer and he thought it good, and I hope you will not consider it officious and out of place in my presenting it to you.

If the General Commanding thinks it worthy of trial and will authorize me to raise such a corps I believe it can be done quickly and I could by systematic and discipline it at an early day. - I would suggest that the corps be composed of 200 men. -

I have received the order for the recruitment and will do my best. - The formation of the corps I propose will not interfere with my present duties. -

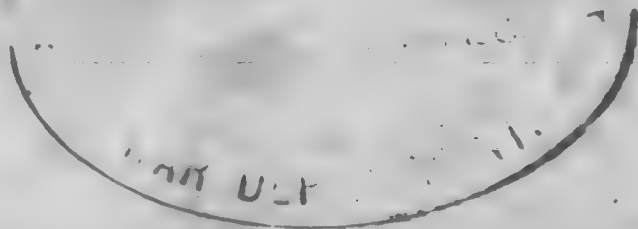

I am off at 7 pm. I am Colonel with high regards very truly.

Chapter 28 Appendix E. & F.

Redan Fort, Camp Polk, Island No. 10.  
Thursday 15<sup>th</sup> Sept 1861.

Capt. E. D. Blake.

A 1st. Adj. General.

Dept. No. 2. U. S. A. Mississippi Valley.

Captain.

It becomes my duty to report to you that the progress of our work has been so retarded by circumstances over which I have no control that in my judgement any further drawbacks may cause us to lose - Should certain contingencies happen - one of the finest strategic positions for the defence of the Mississippi Valley. The multiplicity of matters surrounding you at Columbus has caused this point, I am afraid to become of much less consideration than it really deserves.

I am now fully convinced that Island No. 10 with its connections, properly fortified, would offer the greatest resistance to a combined water and land attack of the enemy, who at the same moment in would receive an irreparable injury. A concentrated cross fire from the three batteries proposed, would be irresistible by the boats of the enemy, and our movements from the River to the Lake could not be taken by a force ten times superior in numbers. We cannot be cut flanked owing to the proximity of the bayou and Lake to the River, and it would be equally impossible

2  
Leinster us. - The general character of the ground is the most inviting to an attack, and certain defeat of the enemy. To an ordinary observer the absence of any impressively strong features in the topography might create an unfavorable opinion as to its strength, but I am satisfied that a close study of the ground by a military man would develop elements of power that in no other might seem objects of weakness.

The work I am now constructing is the advanced position on the left bank of the river one and a half miles above the head of Island No 10. - It was well planned to occupy this site during the season of low water and until the highest Spring rise, to prevent the enemy landing, and flanking the Island battery as well as the main land battery. It is also our strongest point of defence should the descent of the river be attempted by the enemy in the next eight or nine months and a heavy force be landed for a land movement. The distance from this point (the redan) to the bayou which has five feet permanent water in it, and increasing in depth to the Lake two miles further, is only eleven hundred yards. The bayou with comparatively little labor can be rendered impenetrable to an enemy. When the highest rise of the river next Spring or Summer, Nature will then accomplish for us what we are artificially endeavoring to do.

that of Seminoles, however over which the command  
passed for the Mississippi and the Sab. in the  
pass, and if landing is attempted it must be  
within short range of our other two battalions.  
Hickory Lake, as it is called, is a small  
lake lying nearly north and south and making a  
junction with the Mississippi at Fort Worth, Tex.  
and below it, also by way of the Ohio River,  
under our position just here, with a very strong  
bank, evidently a very considerable one.  
There is in many places very deep and the land  
is very timbered, and about it is a great forest  
to navigate. Even if boats could be put out  
they would be effected by an enemy, a small party  
could break a landing, and if they were  
a small party, and could not be seen, they could  
and game.

We have been told by some of the  
best. We had the best of the  
that the two 24 pounder ships were  
the best.

that of forming a barrier over which the enemy cannot pass; for the Mississippi and the Lake will then be united and if a landing is attempted it must be within short range of our other two batteries.

"Reelsfoot Lake" as it is called is some forty miles long lying nearly north and south and making a junction with the Mississippi at high water about us, and being cut also by way of the Ohio branch, renders our position just here, with comparatively little trouble evidently a very formidable one. The Lake is in many places very deep and the dead reeds & timber scattered about it makes it difficult to navigate. Even if boats could be had and a crossing effected by an enemy a small body of our troops could prevent a landing. It is eleven miles wide in places, and filled with very fine fish and wild game.

We have now only four 32 pounders at this post. We had six pieces in position but you are aware that the two 24 Pounder Siege guns were taken to Columbus. No heavy pieces could be placed in position at once in the Redan if we had them.

The Redan covers the channel of the River 300 to 400 yards off. It is our last stand of the line of intrenchment connecting the River Mississippi and Reelsfoot Lake, and two or three of the howitzer guns

can be made to make the entire front of our line to  
the bayou.

Can be fitted in the redan it must be work-  
-ed by embasures, made necessary by the 32  
pounder being mounted upon naval carriages or  
trucks. I would recommend mounting these guns  
upon siege carriages similar to the 24 pounder. The  
weight of the guns is about the same.

Our intrenchments are not completed at that point and unless we have the assistance we asked for and which I supposed could be easily obtained from Memphis and West Fulton, I fear this all important work will not be accomplished in time to be of use.

In a very short time now it will be necessary to gather in the crops and our farmers in the Prov. must need their hands. We have not had any highly negroes at work and no similar force and facilities at my command, could have done more than they have done. So you will readily perceive the impossibility of finishing the fortification at an early date unless I could have 50 or 15000 men, some 300 hands from Fort Pillow, when I learn some 2000 are at work. I have no boat riding which is essential to a rapid construction of the batteries at Island No 10. The Mobsack

placed under my orders for topographical service has  
been taken off some time ago for other duty by orders  
from your Department.

Since I have seen Columbus I have not revised  
my opinion previously given to the Commanding  
General of its strong natural facilities for defense,  
but further examinations have strengthened my  
belief of the great importance of Point 1 in  
connection with a line of defense including New  
Madrid and Union City as a powerful base of  
operations against the enemy.

I have been put to serious inconvenience by  
an order causing suddenly, my assistant Mr. Leary,  
and my clerk Mr. Miller who had charge of my  
commissary stores and papers, to be taken away from  
this post. The General Commanding must have  
been misled by a misapprehension of facts in some way.  
Mr. Miller was a civilian appointed by me as clerk  
and to attend to my commissary matters and he was  
in no way an army officer. Had I been  
taught Mr. Leary and Mr. Miller to assist me in  
systematically conducting their important duties committed  
to me and their sudden withdrawal without any prior  
notice had not only inconvenienced me but was  
detrimental to the service. It is indeed  
and cannot be expected to the labors of an Assistant

probably for some time. He is today wholly  
disabled by fever. I feel sure that had the  
General known of the circumstances I have  
related he would not have ordered them away  
at so necessary a period in the progress of this  
work, unless on some imperative occasion.

I will send you Captain in a day or two a  
sketch of this section of country exhibiting the  
situation of our works if I can possibly spare time  
from my other labors. In the meantime if you  
can lay before the Commanding General the  
necessity in my opinion of more speed movement  
in the works here I shall be better satisfied that we  
shall be altogether upon a much safer basis  
to meet the enemy under any circumstances that  
may arise. If he will give me an order for  
guns & crews from Fort Mifflin<sup>(187)</sup> and send me a  
small steamer and authority to get the guns  
from Wm. Smith I will soon be enabled to say we  
are prepared.

I remain, Sir, Sir,

Very respectfully, Yours etc. etc.

General

We reached this country with the guns  
on Friday afternoon and immediately com-  
menced to prepare for them in the battery but  
the whole of Saturday it rained so as to render  
it impossible to work. - Yesterday and to day  
we have made good headway with the means  
at our command. - We have three <sup>traverse</sup> circles  
and braces with the platforms ready for the traverse  
circles; and if the timber for the latter which had  
to be sawed at a mill eight miles off comes to  
hand tomorrow as I am promised it shall, we  
shall have two or three guns mounted by to-  
morrow night. - The <sup>traverse</sup> circles are  
all sound and perfect as when built four or  
five months ago, and they answer well <sup>for</sup> the heaviest  
guns without any alterations; but our drawback  
has been that we have to make the <sup>traverse</sup> circles  
blocks - traverse circles - braces &c, these be-  
coming to these guns not being transferable  
from the battery at Columbus. - They were  
strongly bolted to the deck of the battery and  
could not be taken up. - Or sundown  
after

... had at hand ... succeeded with  
the immovable ... to run the location  
for the other two batteries. - One of the  
batteries (that on the main land one mile below  
this) has platforms ready for four guns - it  
can soon be repaired for 10 or 15. -  
immovable little also visited Fort Thompson.

He found but very little done since I left  
here one month ago. - Only one platform  
built in this time and one of the battery guns  
only mounted. - I had built 3 permanent  
platforms before leaving there besides building  
the fort in its exterior, <sup>all in weeks</sup> laying off interior work  
... I had planned the quarters, Magazine and  
all that was necessary to complete the work. - He  
rounds the ground, <sup>now</sup> not prepared for the quarters,  
the Magazine uncovered - the ammunition still  
under the platform - the fault from want  
of the proper attention wearing away and much  
more now to be done to finish the fort than when  
I left it. -

I do not say where the fault is, but  
I feel satisfied General if I could have had  
only a supervision of that work it would  
now be in a different state of forwardness. -  
I have always felt strongly impressed with

the formidableness of the line of defence, of the comparatively little battery of 12 guns and 100 men, and of the numerous and uncontrollable circumstances that might happen, to cause it to be made a base, it has a reserve to fall back upon at any time.

General, you decide to complete the works projected for the defence of this base including New Madrid and Island #2-10 and draw it over to give me the general supervision of it, I can attend to it without materially interfering with my duties at Columbus. - I could visit Island #2-10 New Madrid occasionally from my office at Columbus - plan and push things to completion - With full authority given me there would be perfect harmony and much work done.

Mr. Clarno arrived here day before yesterday and is desirous of doing anything in his power to complete the works. - He has some 300 men with him. - <sup>better</sup> I was deemed by Commander Whittle and myself to keep the guns on board the Ohio Belle a day or two until our traverse circles and gun blocks were complete, when they could at once be run into position. - I hope by day after tomorrow to be able to report in person at Columbus the readiness of the guns in battery. - The Mohawk is essential to us here for the present. -

I am General very truly yours

Col. Lewis G. Armistead

Chief Eng<sup>r</sup>

Colonel,

We have no means available  
of putting up the work on the Island  
without a boat. The Michoud  
although ordered to us has never  
been here now hours to help us.

Our hands all leave us on  
Saturday, unless the General  
will issue an order to me to retain  
all the hands for ten days longer  
and by sending us the Michoud  
we shall have the Island ready  
for the battery in three or four  
days. Will you have  
this done for me.

Yours very truly

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the above named subject.

Yours very truly  
J. C. F. May

I have the honor to transmit herewith a copy of the report of the Board of Education for the year 1861. I repeat, with pleasure, that you will find the information and statistics of your various communities to be of great value as they are also being required.

Sir

I have the honor  
to specially recommend

Captain C. Fairfax Gray  
for an appointment  
in the Confederate  
Army —

Mr Gray was  
a Midshipman in  
the Texas Navy before  
annexation. He afterwards  
entered the U. S. Navy  
and after seeing some  
service he was sent

to the office  
after a full course  
he graduated -  
and for some  
years in the  
service, and was  
a lieutenant in the  
army at the time  
of his resignation  
in 1877. Since which  
time he has been  
employed principally  
in the capacity of  
an engineer -

His knowledge  
of drill, his high  
attainments in  
the mathematics  
and in military  
science generally

will enable him to  
a position beyond  
the first grade  
and I trust that  
merits such as  
he possesses will  
secure him a  
position to which  
I feel assured  
he will give honor  
and distinction

Resident

Allow us to call your  
attention to Major Edwin H. Gray  
of the 5th Regt. Tex. as a candidate for  
the office of Major of Infantry in the  
1st Division. His education is such  
that in view of his other attainments  
and his position in the country. - He was educated  
in the Army of the U. S. - graduated  
at the War College at Annapolis  
with credit, and was for  
some time a Lieutenant in the  
Army. He resigned and was for  
some time State Engineer of the  
State of Texas. He has directed  
his studies especially to Artillery  
and engineering. He has the  
confidence of Maj. Stevens as  
an engineer, and is well known  
in the Army as a candidate.

to the Coast Defences of Texas -  
and we believe he was recom-  
mended at one time by Major  
Stevens to take charge of the  
defences necessary to be made  
at Galveston. - From his ex-  
perience and experience as  
an artilleryman and engineer  
we do not hesitate to say that  
a position in which the de-  
fences of Galveston should  
be made suitable for defence -  
He recommended him for  
appointment as Lieutenant  
Colonel of Engineers in the  
Provisional Army - or to that  
rank in the Artillery Corps, and  
to give him every way recom-  
mendation. -

Dear Sir,

I desire to suggest  
for your appointment in your  
Artillery Service on the Coast of  
Texas, Capt. E. Fairfax Gray

As an officer in the  
Navy of Texas, and in the Navy  
of the United States, he has  
made Artillery a specialty. He  
has an application on file  
in the office of the Adjutant  
General, endorsed by Col. L.

This letter states his  
qualifications, and to which I

Hon<sup>ble</sup> S. P. Walker,  
Secretary of War,  
Sir,

I am a citizen of Texas,  
and an applicant for a Captaincy  
in the Artillery Corps of the Confederate  
States Army.

My qualifications for the  
position, are well known to the Hon<sup>ble</sup>  
S. P. Wigfall, John A. Campbell, and the  
other members of the Texas Delegation,  
to whom I respectfully refer you.

Permit me, however, to briefly  
state the character of my services. In  
the Spring of 1841, I entered the Texas  
Army, and rose to the rank of Lieutenant,  
which position I held at the time of  
annexation, having participated in the  
several engagements with the enemy.  
I then entered the U. S. Army as a  
Midshipman - graduated at the  
Naval Academy at Annapolis, and was  
promoted to a Lieutenant - which rank  
I held at the time of my resignation.

in 1857 - since which time I have been chiefly engaged as State Engineer of the State of Texas.

Having made Mechanics and Surveying, together with Engineering, somewhat a speciality, you will excuse me for stating that I deem myself fully qualified for the discharge of any duty that may be imposed upon me in that line.

I am now out of employment and desire the position asked that, what abilities I possess may be made most serviceable to the Country. My experience of Galveston & the Texas coast, with which I am thoroughly and perfectly familiar, would be most acceptable.

I would further state, that I am the only citizen of Texas, graduate of either of the Military Academies as such, who has reached a rank corresponding with the position I seek.

Accompanying this application you will find a letter from Amos H. Humphreys & Higfall

in confirmation of the machine, -  
I have the honor to be,  
Very Respectfully,  
Your Obedt. Servt.  
E. H. Gray

A. A. Gen. First of Texas,  
New Mexico & Arizona,  
Sir,

I am in receipt of a  
copy of an order, in what purports to be  
an order of Genl Magnum, signed by  
Surgeon Berrien, detaching Surgeon  
Samuel from this Regt, and assigning  
him to duty on Genl Canby's staff,  
as Chief Surgeon of Division.

I request to be infor-  
mation whether this detail is approved  
by the Genl Canby; and if so, that  
an order to that effect may be  
sent me from the A. Genl's Office,  
as I cannot recognize Surgeon  
Berrien's right to use the name  
of the Genl Canby, to detail officers  
under my command.

I desire the order  
for the further reason that, every  
Regt is entitled to a Surgeon  
and an Asst. Surgeon, and if  
Surgeon Samuel is removed from

The Regt. I wish to supply his  
place by the appointment of  
an assistant surgeon - as the services  
of two surgeons are necessary  
on the Regt.

I beg that you will  
give this matter your prompt  
attention as it is important.

I am the honor to be,

Very Respectfully,

Your Obedt. Servt.

The only serious <sup>consequence</sup> of it is its

that it is sour, dirty, morbid and filled with  
ant worms not bled, and the frogs which

superfluous to add that it is exceedingly unwholesome.

The daily increasing number on this sick  
report, fully demonstrates by the character of the  
disease, that the food is one of, if not the main  
cause, producing it.

Then the Character of good or even worse. (Kind  
Kind which could be procured by the Commissary

troops actuated by true patriotism would not  
complain. But Sir, when such is not the  
case, and it is a fact, well known among the  
troops, that large quantities of good & moderate  
flour are now in Depot at Columbus, Ga. &c. &c.  
I cannot but consider the matter in some measure  
just and not without reason, for I feel satisfied

that wholesome food can be obtained with but little  
effort.

It is with regret that I feel myself forced  
into the position of a complainant, but it seems  
one of the first duties of a Commander in such  
circumstances to care the interest of those under his  
command and I could not feel that I had  
discharged my duty to them should I fail  
to make these representations which I believe to  
only necessary to do to have them corrected as

Sir,

Capt. Thicke, of this

to return to the Regt, some 54 men  
absent without leave. He was directed  
to call upon Col Brown to request  
a detail of Cavalry to assist him.  
Capt Thicke reports that, he made  
the application to Col Brown, but  
that the detail was not made - and  
states that the feeling in Fayette Co  
is such, as to prevent the arrests  
and to assist them in eluding  
an arrest. I would respectfully  
request that a troop may be sent

Capt E. P. Turner,

U. S. Genl, Dist of Texas,  
New Mexico & Arizona.  
Sir,

A letter from Surgeon  
Bennett addressed to you, in regard  
to the "perverted use of ambulances  
belonging to the 3<sup>rd</sup> Regt." and  
asking an order to prevent the  
same, has been referred to me by  
Major General Schofield.

I have to state  
that, the statement made in the  
letter of Surgeon Bennett that "the  
sick were deprived of the use  
of the ambulances, is wholly  
without foundation. I will  
state further that, I have no  
knowledge of a "perverted use"  
of the ambulances of this  
Regt. greater than that made  
by the Surgeon himself.

The position taken  
by the Regimental Surgeon, is one  
which I fully agree. and I

entirely dissent from the position  
assumed by Surgeon Berrien that  
the Ambulances are exclusively  
under the control of the Med-  
ical Officers. Such is not the  
case, and from the nature of the  
service cannot be. They have  
the control of them for the  
transportation of the sick, but for  
no other purpose.

Accompanying this letter  
I send you a copy of Regiments Order  
No. 10, and of a letter to the A. M.  
upon the subject of the Ambulances,  
both of which were written before  
the receipt of Surgeon Berrien's  
letter. They will show that the  
application of Surgeon Berrien for  
an order upon the subject was entirely  
unnecessary. I am satisfied that  
the origin and basis of the complaint  
is to be found in the fact that the  
Surgeons could not have the am-  
bulances for their own use and  
at their pleasure.

I have the honor to be,  
Very Respectfully,

The highest and most official that the requirements of "High Order" are so as not punctually complied with.

In future you will cause one of the Ambulances to report at the Regimental Dispensary at 7<sup>AM</sup> O'clock each day to transport the sick to and from the General Hospital and to enable the Surgeon General's Commissioned Officers at their Quarters, as well as the sick report.

The Ambulances will be used for no other purpose and the Surgeon will cause this Ambulance to return to the yard as soon as the duty is performed. If the Surgeon ~~wants~~ an Ambulance for any other purpose it must be procured by Special application.

I trust that these instructions will be strictly complied with and that no further misunderstanding may be had on the subject.

Sir,

Being, Genl. Ben having  
left for Brownsville, I am directed  
by him to inform the Genl Comd of  
that, he has instructed Major McIntosh  
Chief of Muster to establish a  
Express line from Alhambra to  
Brownsville and a connecting line  
from this place to El Paso. The  
Express to start as regularly  
as possible, every four days  
upon the arrival of the Cars at  
Alhambra.

This arrangement is re-  
quired necessary as the Mail from  
Brownsville is very irregular &  
uncertain, and we are in need.

I have to acknowledge  
the receipt of your letter of instructions  
of the 3<sup>rd</sup> inst, and its contents. (See  
mem No 238, Sub Dist of Texas. N. M. M.)  
in regard to the Brigading of the

Buckhorn.

I am now awaiting transportation,  
which I suppose will be  
in route from Columbus, and  
expectation on Monday or Tuesday  
next. I shall then be ready to  
take up the line of march; but  
it is my impression, (from a communication  
with the Comdg Genl) that  
we are not to move until further  
orders from him.

I have sent an officer  
to Buckhorn to ~~learn~~ obtain information  
in regard to water on  
the route - the route by the  
order of the Sub Comdg. The Progs  
now route is utterly impracticable  
at this time. No one, nor too of  
the Companies of this Regt. have sufficient  
strength to be a proper

Med Purveyor

Sir,

In receipt of  
your letter informing me that the  
Bottle Comphorn alluded to in your  
correspondence as being missing  
was packed in a whiskey or Brandy  
box - I proceeded to make examination  
and was gratified to find it  
carefully packed in a box marked  
"Superior Port Wine" without any  
other mark to designate it.  
If a packing list had have  
been furnished it would have  
saved us some trouble and  
inconvenience.

Yours very Truly  
J. C. Wells

Happy: returned to the President.  
Henry Gray appears on the  
records of the office as Col.  
of 28 La Reg. He has never been  
off. Brig. Gen. by the Dept. but  
appears to have commanded a  
Brigade, probably as division  
Col. & is styled Mr. Gen. on Lt  
Smith's return. Lt. S. recommends  
his app. as Brig. in comman-  
dation as a short time since; but  
as Col. Gray had been elected to  
Congress, it was supposed he  
would not return to the army.  
Col. Peck has been app. as  
Brig. for the Brigade lately  
under Col. Gray. The brigade

as constituted as follows  
according to Lt. Smith's return  
2 La Reg  
28 La  
18 La  
Yellow Jacket Bde } consolidated  
Coccyus Reg. }  
11 La Bde } consolidated  
C. B. R. Bde }  
There appears to be but two  
Reg. Brigades of La troops on  
the return of Lt. Smith - the one  
above mentioned, & the other  
commanded by Mr. Gen.

Thomas.

There is nothing in  
this office to show  
that a force is being  
organized in the Trans-  
Missi. Dept for the  
special service indi-  
cated in this paper.  
& should one be organ-  
ized for the purpose  
I think one of the Binge-  
dies already in comman-  
dation & serving in that  
Dept. might very well  
be placed in command  
of this force without  
the necessity of a  
new appointment.

Richmond Va

Office of Rep  
Feb 15 / 1863

To the President

Sir

The undersigned

beg leave to most respectfully recommend the distinguished Representative from the Shreveport District of La the Hon Henry Greay as a proper officer to take command of the force the Government may place on the West bank of the Miss River for the purpose of keeping open the line of communication between this Cis and Trans Miss Delta the Transportation of Supplies & the general protection afforded.

Genl Greay's acknowledged popularity and force of character among those people added to the valuable services he has rendered as the Commander of a brigade for the last two years eminently qualify him and point him out as especially fit for this branch of service.

We therefore beg leave to make your  
excellency this suggestion, feeling  
as we do the great importance of  
securing an officer who has the  
capacity to command & control  
cavalry troops and who at the same  
time possesses the confidence of the  
people among whom the troops are  
to be placed.

We have the honor to  
be very respectfully

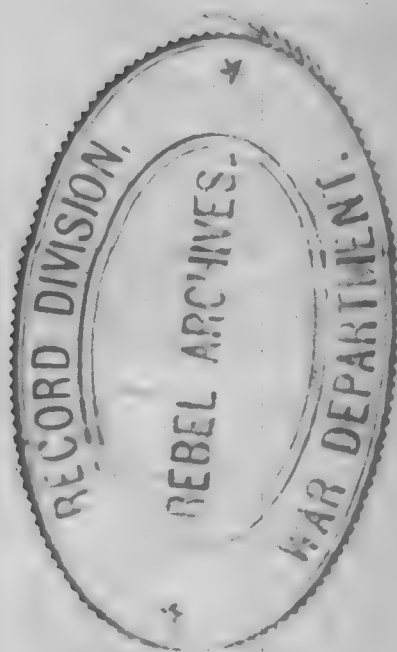

Yours &c

addressed to your behalf of my self and  
 I beg you to consider my statement & application  
 I originated the Organization known as the 8th  
 Battalion Cal. Vol. paid the expenses of getting it  
 up amounting to more than fifteen hundred dollars  
 was elected and commissioned Lieut Col when first  
 organized as a Regiment. But failing in consequence  
 of Gov Brown's <sup>indecision</sup> for six months later to <sup>discontinue</sup> the Reg. we went into the service as a part of  
 Lord's Campaign where I was appointed to Lieut  
 A. R. Johnston Major of the 10th in San Francisco  
 where I remained until the passage of the <sup>disfranchisement</sup>  
 law and upon a reorganization under that  
 act I was thrown out of my position for no  
 other reason than that I was a disciplinarian. I was  
 supplanted by a man not in the service but for three  
 months had been laying around the camp inciting  
 disaffection against me while <sup>was</sup> endeavoring to  
 discipline and make the camp efficient. The  
 permission to raise the camp was granted to me  
 Littlefield with whom I was the associate and he  
 paid the expenses this going to Beaumont to obtain  
 the permission and continue to do so until I had  
 annexed the camp and it was red into the service  
 do not understand me to disapprove the conscription  
 law for the authorities has passed no law that I was  
 fully approved I think it was just the law for the times

yet at the same time it leaves hands open individuals  
who had permission from the government to orga-  
nize a camp for a specified time and beyond the  
expiration of that time have the <sup>right</sup> taken from them  
after the ~~expiration of~~ <sup>without any grounds of complaint</sup> raising & among the ranks  
I made an earnest effort to get up a command  
for the service of our country, but was thwarted  
by bad associations. I have been in service since  
these organizations a Private and I now occupy  
in as humble a manner as I know how for some  
position other than the one I have taking as to  
that my effort & partial success in getting up a  
camp and running it at my own expense entitle  
me to some consideration.

now I have stated facts and as to who I  
am and the truth of what I have stated I

Dear Sir

The undersigned  
could respectfully suggest and petition that  
a commissary be appointed at this place  
for the following reasons. 1<sup>st</sup> Because this is  
a good point for the purchase of commissary  
staple and because there is great necessity  
for one there on account of soldiers who are  
detained here in their transit to and from  
Florida and other points - means of transportation  
being irregular and infrequent - often as  
many as two or three hundred are lying here  
for days without adequate rations -  
Should you regard this petition favorably  
we would recommend Mr James Sutton  
as a suitable person for the appointment  
he being a gentleman of undoubted  
integrity - good business capacity and  
well qualified in every respect to dis-  
charge the duties of the office

For the information of the  
Department and of the  
Honorable Secy of the Navy that

the following is a brief statement  
of the point: The transportation of  
supplies from Florida, South Eastern Alabama  
and South Western Georgia through this  
river is extremely slow and upon the movement  
the weather is not used the tide  
navigated for light draft boats, consequently  
the cargoes are frequently detained here  
to be taken to River, without return. In  
order to cover the deficiency has been supplied  
to me through the agency of a distant  
agency.

I respectfully recommend James  
Guthrie as an honorable, trustworthy man, possessing  
the confidence of the community.

Major I return  
you the enclosed application for  
appointment James Guthrie as  
Commissionary at Fort Gaines, refer  
to me through yr office, with  
my disapproval of appointment  
of said party. I believe it proper  
and necessary to have a com-  
missionary there, but  
consider Charles B. Graybill, my  
purchasing agent for the Dist. to take  
contract at Fort Gaines, a much better  
and more suitable party; and  
would recommend his appointment  
as Commissionary at Ft Gaines, the  
duties of which he can discharge  
in connection with the purchas-  
ing agency of Contrabands.

My dear Col Northrop.

I have unhesitatingly recommended for appointment as A. C. S. in the new contingent of this State. persons of mercantile education and accustomed to accounts.

Among these recommendations is one in favor of Mr. C. Henry Graybill of this city. Whom I beg to commend to your thorough consideration. Mr. G. is a thoroughly Educated business man, of good manners and excellent character. He has in short all the requisites - among them a nice sense of honor - to make a good Com. man, and I should be much pleased to see him appointed.

I hope for the public interest, that the ~~new~~ nominations of Colonels of Regiments will not be too much respected in their appointments, as I take it, they are not the best judges.

Mr A. Morris

My dear Sir

With this I hand you  
the application of my friend and Co-partner  
Mr S. H. Graybill for an appointment  
of Asst-Commissioner or Asst-Director  
and beg you to present the application  
and sustain it by such personal test  
as may be necessary and consistent  
with your knowledge of parties. The  
name appended to Mr Graybill's paper  
is among the very best our City affords  
and some of them as good as any  
in the Southern Confederacy not only as  
regards high moral character and respectability  
but as regards devotion to our common  
cause. From my most intimate per-  
sonal knowledge of Mr Graybill  
qualifying for an appointment of Asst-  
Commissioner, I can safely say that I  
do not know any younger man who  
combines in a greater degree the  
necessary knowledge, energy, and fidelity

regard for the faithful discharge  
of the duty of the Commissary  
Department, and whatever you can  
do to promote his appointment will  
lay me under increased obligation  
to you

I hear nothing from Horace  
for over two weeks and feel quite  
anxious about him - many of  
movements on the Potomac are not  
calculated to relieve that anxiety

With our affectionate regards to  
yourself and family

The act of Congress of June 7. 1862  
referred to within, allows all com-  
missioned officers to draw one ration  
See Acts Cong. 1862. p 260 - The ordinance  
of May 1. 1861 puts the "pay emoluments  
and subsistence" of commissioned of-  
ficers of the State on the same footing  
as that of commissioned officers of  
the Confederate States - And the Auditing  
Board, early in 1861 decided that the  
pay + allowances of officers of the  
Prov. Army of Va should conform to that  
of officers of the Army of the C. S. as  
the pay of the latter should from here  
to time be fixed by the C. S. government  
This decision I believe has been uni-  
formly adhered to, so far as officers  
of the Prov. Army of Va. were concerned  
I have therefore no doubt that Mr. May  
son is entitled to the ration he claims  
But as I have neither the means nor the  
authority to fill the requisition he  
has drawn on me I respectfully  
refer his claim to the Auditing Board  
for consideration & action.

Sir,

Enclosed you will find the Pay account of the late Brig. General J. B. Grayson. P. L. S. A, which I forward to you for approval, in order that you may receive the pay due him by the Confederate States Government. The excuse I have presented in sending the ac to you, has been done at the suggestion of the Quartermaster in this city. ORD

Respectfully returned to

Miss Sally W. Mapin,  
3204 Maryland Avenue,  
Baltimore, Maryland.

The records show that John G. Grayson served as Acting Assistant Surgeon, Confederate States Army, at General Hospital, Farmville, Virginia. His Contract was dated July 3, 1863 and terminated February 10, 1864.

The records also show that a Contract was terminated January 4, 1865, but the date of this Contract has not been found.

No earlier or later record has been found, but it is deemed proper to state however, that the collection of Confederate records on file in this office is far from complete.

Major General,  
The Adjutant General.
